# H.P. TECHNICAL UNIVERSITY HAMIRPUR (HP)

# COURSE: B. PHARMACY (PRACTICE)

# SCHEME OF TEACHING AND EVALUATION

# Bachelor of Pharmacy Practice (Bridge course) Regulations 2010 (B.Pharm.Pr)

(Regulations framed under section 10 of the Pharmacy Act, 1948 (8 of 1948)

#### **CHAPTER-I**

#### 1. Short title and commencement. -

(1) These regulations may be called 'The Bachelor of Pharmacy Practice (Bridge course)

#### **Regulations 2010'**

(2) They shall come into force from the date of their publication in the official Gazette.

2. **Bachelor of Pharmacy Practice** (B.Pharm.Pr.) shall consist of a degree certificate of having passed the course of study and examination as prescribed in these regulations, for the purpose of additional qualification to be entered in Register of Pharmacist under the Pharmacy Act, 1948.

## **CHAPTER-II**

#### 3. Duration of the course. -

a) The duration of the course shall be of two academic years with each year spread over a period of not less than 180working days

#### 4. Minimum qualification for admission to the course is -

i. A Pass in Diploma in Pharmacy Course from an institution approved by Pharmacy Council of India approved under section 12 of the Pharmacy Act 1948.

ii. A registered Pharmacist under the Pharmacy Act.

iii. A Minimum of four years of pharmacy practice experience in a community or hospital pharmacy –

a. A certificate from competent authority stating that the candidate is endorsed as Registered Pharmacist in the Drug License of a Pharmacy as proof practice experience in case of community pharmacist

b. A certificate from the Principal / medical Superintendent / competent person of the Hospital/Health Unit stating that the candidate is working as a pharmacist will be accepted as proof of practice experience in case of hospital pharmacist

iv. A no objection certificate from the employer in prescribed format (Annexure -A).

Provided that there shall be reservation of seats for the students belonging to the scheduled castes, scheduled tribes and other backward classes in accordance with the instructions issued by

**Technical University** Hamirpur - 177001

the Central Government/State Government/Union Territory Administration as the case may be from time to time.

**5.** The Number of admissions in the above said programme shall be as prescribed by the Pharmacy Council of India from time to time and presently be restricted to 40 students in an academic year

### 6. Approval of the authority conducting the course of study -

a. No person, institution, society or university shall start or increase number of admissions and conduct Bachelor of Pharmacy Practice programme without the prior approval of the Pharmacy Council of India (PCI).

b. Any person or pharmacy college for the purpose of obtaining permission under sub-section (1) of section 12 of the Pharmacy Act shall submit a scheme as prescribed by the PCI.

c. The scheme referred to in sub-regulation (b) above, shall be in such form and contain such particulars and be preferred in such manner and be accompanied with such fee as may be prescribed.

d. The institutions recognised by the Pharmacy Council of India for running Bachelor of Pharmacy (B.Pharm) approved under section 12 of the Pharmacy Act shall be eligible for starting Bachelor of Pharmacy Practice (B.Pharm.Pr.) degree course.

e. The maximum number of students for the Bachelor of Pharmacy Practice course, shall be determined by the facilities available in the department/ institution in terms of infrastructure, teaching staff and teaching material.

f. Every student, selected for admission to Bachelor of Pharmacy Practice course in any of the pharmacy institutions in the country, shall possess approved D.Pharm qualification and should have registered with the State Pharmacy Council or should obtain the same within one month from the date of his admission, failing which the admission of the candidate shall be cancelled.

Provided that the PCI shall not approve any institution under these regulations unless it provides adequate arrangements for teaching in regard to building, accommodation, laboratories, equipments, teaching staff, non-teaching staff, etc., as specified in Appendix-A to these regulations.

**7.** Course of study. –The course of study shall consist of the subjects as given in the Tables below. The course shall consist of class room teaching and assignment works. The Assignment works shall be done at the place of work under the supervision and guidance of teaching staff of the academic institution. The number of contact hours in a week, devoted to each subject for class

**Technical University** Hamirpur - 177001

room teaching shall not be less than that noted against it in columns (3) below.

# T A B L E -1

## First Year :

S.No.	Name of Subject	Minimum No. of total contact hours	No. of contact hours /week
(1)	(2)	(3)	(4)
1.1	Pathophysiology and Pharmacotherapeutics I	40	1
1.2	Pathophysiology and Pharmacotherapeutics II	40	1
1.3	Pharmacy Practice I	40	1
1.4	Pharmacy Practice II	40	1
1.5	Applied Pharmaceutics	40	1
1.6	Social Pharmacy I	40	1
1.7	Case presentation,Seminar, Assignments	160	4
	Total	400	10

# Second Year :

S.N o.	Name of Subject	Minimum No. of total contact hours	No. of contact hours /week	
(1)	(2)	(3)	(4)	
2.1	Pathophysiology and Pharmacotherapeutics III	40	1	
2.2	Pathophysiology and Pharmacotherapeutics IV	40	1	
2.3	Pharmacy Practice III	40	1	
2.4	Pharmacy Practice IV	40	1	
2.5	Social Pharmacy II	40	1	
2.6	Pharmaceutical Jurisprudence	40		
2.7	Case presentation, Seminar, Assignments	160	4	
1	Total	400	10	

Dean H.P. Technical University Hamirpur - 177001

**8.** Syllabus. – The detailed syllabus for each subject of study in the said Tables shall be as specified in the guideline given in Appendix-III

## 9. Examination. -

1. There shall be an examination at the end of calendar year. The first examination shall be the annual examination and the second examination shall be supplementary examination.

2. The examinations shall be of written nature for theory and for the practical's they shall submit the assignments done by them in the form of a report which will be followed by viva-voce carrying maximum marks for each part of a subject as indicated in Tables below :

TABLE-II

S.N o.	Name of Subject	Maximun	Maximum marks for Assignments (including Viva voce 25%)			
		University Examination	Sessional marks	Total		
	Pathophysiology and Pharmacotherapeutics I	60	40	100	100	
	Pathophysiology and Pharmacotherapeutics II	60	40	100	100	
	Pharmacy Practice I	60	40	100	100	
	Pharmacy Practice II	60	40	100	100	
	Applied Pharmaceutics	60	40	100	100	
	Social Pharmacy I	60	40	100	100	
	Total			600	600	

# 1<sup>st</sup> Year examination :

#### 2<sup>nd</sup> Year examination :

S.N 0.	Name of Subject	Maximun	Maximum marks for Assignments (including Viva Voce-25%)		
		University Examination	Sessional marks	Total	
	Pathophysiology and Pharmacotherapeutics III	60	40	100	100
	Pathophysiology and Pharmacotherapeutics IV	60	40	100	100
	Pharmacy Practice III	60	40	100	100
	Pharmacy Practice IV	60	40	100	100
	Social Pharmacy - II	60	40	100	100
	Pharmaceutical Jurisprudence	60	40	100	100
	Total			600	600

**11. Eligibility for appearing Examination.**— Only such students who produce certificate from the Head of the Institution in which he or she has undergone the course in proof of his or her having regularly and satisfactorily undergone the course of study by attending not less than 80% of the classes held in theory and have submitted the Assignments/ project report duly approved by the supervising Teacher shall be eligible for appearing the examination.

## 12. Mode of examinations.—

(1) Theory examination shall be of three hours duration.

(2) A Student who fails in theory examination of a subject shall re-appear in that subject

(3) Assignment work shall consist of evaluation of report by both internal & External Examiners with a seminar and viva –voce (Oral) examination.

#### 13. Award of sessional marks and maintenance of records.-

(1) A regular record of theory examinations conducted in an institution imparting the Bachelor of Pharmacy Practice Course, shall be maintained for each student in the institution and 40 marks for each subject shall be allotted as internal assessment.

(2) There shall be at least three periodic sessional examinations during each year and the highest aggregate of any two performances shall form the basis of calculating sessional marks.

14. Minimum marks for passing examination.— A student shall not be declared to have passed

P. Technical University Hamirpur - 177001

examination unless he or she secures at least 50% marks in each of the subjects separately in the theory examinations, including sessional marks and at least 50% marks in Assignment work. The students securing 60% marks or above in aggregate in all subjects in a single attempt at the examination shall be declared to have passed in first class. Students securing 75% marks or above in any subject or subjects shall be declared to have passed with distinction in the subject or those subjects provided he or she passes in all the subjects in a single attempt.

## 15. Eligibility for promotion to next Class.—

1. All students who have appeared for all the subjects and passed the examination are eligible for promotion to the next Year.

2. The student failing in subjects of 1st year B.Pharm.Pr. examination shall be permitted to proceed to the 2nd year of B.Pharm.Pr , however, such students shall have to pass all the subjects of the 1<sup>st</sup> and 2nd year of B.Pharm.Pr course and shall complete the course within 4 Academic years from the session in which he/she was admitted in the course, for the consideration of B.Pharm.Pr degree..

**16. Approval of examinations.**— Examinations mentioned in regulations 10 to12 and 14 shall be held by the examining authority approved by the Pharmacy Council of India under sub-section of section 12 of the Pharmacy Act, 1948.

**17. Certificate of passing examination**.— every student who has passed the examinations for the Bachelor of Pharmacy Practice shall be granted a degree certificate by the examining authority.

## CHAPTER-III

#### 18. Assignment work.—

1. To allow the student to understand and develop data collection and reporting skills in the area of community, hospital and clinical pharmacy in particular and principles of Pharmacy practice in general, the assignment work shall be carried out under the supervision of a teacher of the academic Institution on the topic approved by the Head of the Academic Institution. The same shall be announced to students within one month of commencement of the classes in each of the subjects for the session. Assignment shall be presented in a written report and as a seminar before the final examination. External and the internal examiners appointed by the examining authority for the said purpose shall do the assessment of the work done.

2. Assignment work shall comprise of objectives of the work, methodology, results, discussions and conclusions.

**Technical University** Hamirpur - 177001

a. Objectives of Assignment work .- The main objectives of the work is to-

(i) show the evidence of having made accurate description of work and of having recorded the findings in an impartial manner; and

(ii) develop the students skills in data collection, analysis and reporting and interpretation skills.

b. Methodology.— To complete the work following methodology shall be adopted, namely:—

(i) Not more than ten students shall work under an authorized teacher;

(ii) The topic shall be approved by the Head of the Department or Head of the Institution;

iii) The work chosen shall be related to the subjects taught in a particular Session and due consideration has to be given regarding the suitability for carrying out the work in his/her workplace

c. Reporting - (1) Student working on the Assignment shall submit the report after completion of work to the Head of the Department or Head of the Institution. The report should include a certificate issued by the authorized teacher.

(2) Submission of the report shall be done at least one month prior to the commencement of Annual examination.

d. Evaluation.— The following methodology shall be adopted for evaluating Assignment work—

Evaluation shall be done on the following items:	Marks
a) Write up of the assignment	40
b) Presentation of work	15
c) seminar	20
d) Question and answer skills (viva voce)	25
Total	(100 marks)

**23. The recommended fees** for the course shall be prescribed by Pharmacy Council of India from time to time as guidance to the State Government/Course conducting Authorities/Examining Authorities.

Technical University Hamirpur - 177001

#### Annexure-A

#### {See rule 4(iv)}

#### Format for No Objection Certificate from the Employer

This to certify that ------ son/daughter of----- working in this Institution/Pharmacy as------ since ----- and the undersigned has no objection if he/she gets himself/herself admitted in the Bachelor in Pharmacy Practice Course for the session------.

He will be allowed to attend the course and facilities will be provided for carrying out the assignments as part of course in the Institution/Organization

Signature and seal of the authorized Person
