### **Vice-Chancellor's Message**

Himachal Pradesh Technical University nurtures its students in the ultra-modern education and scientific knowledge, as well as in the divine and spiritual vicinity. In Himachal Pradesh Technical University, the souls are groomed fully awakened and fully competent, who will set up an enlightened and developed society and, enhance the physical, intellectual, spiritual, social, economic, political and scientific abilities of society and, consequently, enrich the Nation and the World. Himachal Pradesh Technical University envisions a holistic Higher Technical Education system that enlightens and instills inquisitiveness in its pupils to provide need-based scientific and technological solutions to the society. With the rise of new-age technologies such as artificial intelligence, data sciences, quantum computation and technology, business analytics and sustainable technological solutions, a paradigm shift is necessary to impart skill-based knowledge and prepare future generations.

The Technical University is striving hard to provide access to high-quality education to all students, regardless of their geographical location and/or socio-economic background. The recent emergence of the National Education Policy-2020 plans is focused on enriching the infrastructure, modern-age equipment, libraries, and allied facilities. The University is continuously developing its curriculum framework, course content aligned with industry requirements and promoting industry-academic collaborations to provide practical training to the students. The flexibility in the curriculum has been designed with industry-specific goals in mind and the educator enjoys complete freedom to appropriate the syllabi by incorporating the latest knowledge and stimulating the creative minds of the students. The faculty members are continuously engaged in the maintenance and enhancement of student-centric learning environment through innovative pedagogies.

Himachal Pradesh Technical University has entered into collaborations with many prominent and reputed industries to provide, upgrade, and promote technical education, training and research to bridge the gap between industry and academia. The University is committed to encouraging its students to become the entrepreneurs and start their own ventures. It is my privilege to mention here that H.P. Technical University is marching ahead in the right direction, providing a holistic education to the future generation and playing an effective and indispensable role in nation-building. A brief description of different events and activities of the Himachal Pradesh Technical University which took place during the year is reported in our Annual Administrative Report 2022-23. I deeply appreciate and praise the dedicated efforts made by the Editorial Team constituted under the Chairmanship of Prof. Jai Dev, Dean in bringing out this Annual Report of the Himachal Pradesh Technical University.

I am firm and fully confident that the Himachal Pradesh Technical University will not only attain its enshrined objectives but also touch new heights of excellence nationally and internationally in the days to come.

### From the Editorial Desk ...

It is a matter of immense pleasure for me to publish Annual Report: 2022-23 of Himachal Pradesh Technical University (HPTU), Hamirpur – HP for and on behalf of the University. Various activities accomplished by the University during the year 2022-23, at its HQ and in the affiliated Colleges, have been compiled in this edition of the Annual Report.

We, at HPTU, follow student –centric approach. In their quest for knowledge, most of such students shall be moving away from the folds of their family. One needs to realize that they are just moving away from one family fold to another. Their teachers, seniors and peers, all form an extended family to whom they can look up for any guidance, support and help to move ahead in life as professionals in their study programmes they have opted for. We lay special emphasis on nourishing and motivating our students to "... become job providers than becoming job seekers ..." when they go out to serve the society and the nation.

Earlier running courses at HPTU follow the Choice Based Credit System (CBCS) with Outcome Based Approach. Now National Education Policy (NEP) – 2020, focusing on its various components including skill enhancement, multiple entry – exit, entrepreneurship development, etc., has been implemented since the year 2023-24. Accordingly, syllabi of all the streams have been re-oriented and re-designed. The flexibility in the curriculum has been designed with industry-specific goals in mind and the educator enjoys complete freedom to appropriate the syllabus by incorporating the latest knowledge and stimulating the creative minds of the students. Bench marked with the course of studies of various institutions of repute, our curriculum is extremely contemporary and is a result of brainstorming efforts of great think-tanks: faculty members, experts from industries and research level organizations. The evaluation mechanism employs continuous assessment with grade point averages. We sincerely believe that it will meet the aspirations of all stakeholders-students, parents and the prospective employers.

Words in the lexicon are few exiguous to express our (my team and me) thanks towards all the Officers, Officials of all branches and Faculty members of HPTU HQ, the Directors/Principals, Officials and Faculty members of all the affiliated Colleges for their cooperation in sharing the content for the Report. Efforts of members of Editorial Team are praiseworthy in compiling, editing and bringing out the document in the present shape. We express our sincere gratitude to the Hon'ble Vice Chancellor of the University, Prof Shashi Kumar for his constant guidance, support and visionary leadership throughout.

### **About University**

The Himachal Pradesh Technical University (HPTU) was established under State Legislative Act-16 of 2010 with an objective of value creation and welfare of society through technical education training, research, innovation, entrepreneurship, and continuing education programs. At the same time, the University is responsive to the changing and exceptional requirements of our society and economy and contributes to find answers to global problems.

Himachal Pradesh Technical University is the only Technical University of the State. In this context, the University has the dual responsibility of acting as the main State Govt. Technical University as well as an affiliating Technical University in the State of Himachal Pradesh. The University is functioning from new campus at Daruhi, Hamirpur (Himachal Pradesh). From the academic session 2022-23, a new course in computer sciences *i.e.*, B. Tech. (CSE) has been started in University at its main campus.

#### Vision & Mission

Our vision is of autonomous Himachal Pradesh Technical University as dynamic, flexible institution promoting researches led inter disciplinary learner-centric technical education, and generates added value in teaching-learning, research and knowledge transfer required for promoting integrated national development and global understanding.

### **Core Values**

A primary core value of any University is academic freedom, which is enshrined in the Constitution of the Republic of India. This core value must be buttressed by institutional autonomy, but within an environment where public accountability is seen as a virtue. Principles and behaviours defined in the Charter must accord with these and the institutional core values below.

### Customer service, Integrity, Diversity, Innovation

Currently, the University has four (04) off-site campuses and forty-two (42) affiliated colleges. The detailed description of the same is given below:

### **Independence Day**

Ministry of Education and the Ministry of Information and Broad casting regarding the celebrations of 75 years of India's Independence-"Azadi Ka Amrit Mahotsav". The celebrations which commenced 75 weeks prior to the Independence Day 2022 would continue up to 15<sup>th</sup> August 2023. Hon'ble Prime Minister inaugurated the year-long celebrations from Gujarat on 12<sup>th</sup> March 2021, which also marks the 91<sup>st</sup> anniversary of the historic Salt Satyagraha led by Mahatma Gandhi. Henceforth, all the educational institutions have been advised to celebrate "Azadi Ka Amrit Mahotsav" by organizing different activities/events in their respective campuses as part of the year-long celebrations. Shri RajendraVishwanath Arlekar, His Excellency, Hon'ble Governor of Himachal Pradesh, and Hon'ble Chancellor of HPTU has also appealed the public as well as all the educational institutions to celebrate "Azadi Ka Amrit Mahotsav" by organizing different activities. In light of the above, HPTU commenced celebrations of 75 years of India's Independence "Azadi ka Amrut Mahotsav" by organizing Har Ghar Tiranga and Prabhat Pheri at different places. Hon'ble Vice Chancellor Prof. Shashi Kumar along with Deans, Registrar, teachers, non-teaching staff and students of the University participated in different activities on the occasion of Azadi ka Amrit Mahotsav.

On 15<sup>th</sup> August, 2022, HPTU organized a flag hoisting program with "Azadi Ka Amrit Mahotsav" and "Har Ghar Tiranga, Ghar Ghar Tiranga" campaign as a part of celebration of 75 Years of Independence. In which Hon'ble Vice Chancellor Prof. Shashi Kumar was the chief guest. A national flag march past and parade was organized by the University security persons. Azadi Ka Amrit Mohotsav was proudly celebrated by hoisting the national flag at the University in the utmost honour of the national flag which is a symbol of great courage, peace, and prosperity.

### **Celebration of Har Ghar Tiranga**

The 'Har Ghar Tiranga' campaign to encourage people to bring the Tiranga home and hoist it to mark the 75th year of India's Independence. The campaign initiated as part of 'Azadi ka Amrit Mahotsay,' to commemorate India's 75<sup>th</sup> anniversary of independence will run till August the 15th. In his Mann ki Baat programme last month, Prime Minister Narendra Modi had appealed to people to strengthen the 'Har Ghar Tiranga' movement by hoisting or displaying the national flag in their homes from August 13<sup>th</sup> to 15<sup>th</sup>. Himachal Pradesh Technical University students, teachers and officials hold a rally as a part of the "Har Ghar Tiranga" campaign to celebrate 75 years of India's independence. The rally, led by Hon'ble Vice-Chancellor Prof Shashi Kumar, covered a distance of two kilometres. Number of participants, including Deans, Registrar, teachers, nonteaching staff and students of the University participated in the rally. Rally has undoubtedly strengthened the spirit of patriotism and nationalism among the students. Participants of the rally carries Indian flags and raised slogans. The rally started from HPTU Main Campus, Hamirpur to the adopted village, Daruhi. The Chief Guest said the objective of the 'Tiranga Yatra' is to create a sense of patriotism, national pride and belonging. He also told that National flags will be unfurled at HPTU Main Campus on August 15, 2022, and Prabhat Feri will be arranged and staff members, villagers of Daruhi Panchayat will participate on that occasion. Student's part of the "Tiranga Yatra" procession performed loud and enthusiastic renditions of the national anthems "Vande Mataram" and "Bharat Mata ki Jai".

### **Prabahat Pheri**

Hon'ble Vice Chancellor Prof. Shashi Kumar along with Deans, Registrar, teachers, non-teaching staff and students of the University participated in the Prabhat Feri on the occasion of Azadi ka Amrit Mahotsav. Panchayat Pradhan, other representatives/villagers joined Prabhat Feriand moved to adopted village Daruhi in commemoration of the "Azadi ka Amrit Mahotsav," which celebrates 75 years of Indian freedom. The "Prabhat Pheri" was held from Gandhi Chowk to Hamirpur market/city by the respective Coordinators who were followed by staff also. Hon'ble Vice Chancellor appealed to all citizens to hoist the tricolour at their homes and celebrate the spirit of Azadi Ka Amrit Mahotsav with full patriotism. He himself hoisted Tiranga on the roofs of different houses during Tiranga Yatra and Prabhat Pheri.

Addressing the gathering on this occasion, Hon'ble Vice-Chancellor Prof Shashi Kumar told that we, at HPTU, feel proud to commemorate 75 years of India's independence, under "Azadi Ka Amrit Mahotsav". India must become "AatmNirbhar" in every field and for that HPTU is preparing its students by providing them with the best of education along with imbibing great values and culture in them. The sacrifice of a lot of martyrs, leaders and unsung heroes, must always be remembered by each and every citizen of India. Education is one of the most important ways in bringing peace and harmony to society. He also told that the celebration of 75 years of independence should not end on Independence Day but every day should be celebrated as Independence Day with the same spirit." At the end, the refreshment was served to all the students, staff and villagers presented there.

### **Plantation Drive**

In order to sensitize students towards the need to preserve our pristine Environment and Ecology, Tree Plantation Drive was organised by the Department of Environment Sciences, HP Technical University, Hamirpur. This was the first event of the department, and the main purpose of this event was to teach students, how we can save our climate from different anthropogenic activities.

The plantation drive started with planting the sapling by Honorable Vice-Chancellor of HP Technical University and Divisional Forest Officer, Hamirpur at University campus. After that the Faculty members and Students started planting trees in the site allotted by the Forest Department at Jhaniyari, Hamirpur. During this drive we planted 500 plants with the help of surrounding villagers, school students and students from different department of University.

The main purpose of this event was to:

- To motivate the students to keep their surroundings green and clean by undertaking plantation of trees.
- To imbibe habits and life style for minimum waste generation, source separation of waste and disposing the waste to the nearest storage point.
- Mobilize action against environmentally unsound practices like garbage disposal in unauthorized places etc.

As soon we completed our goal of tree plantation, the event ended with a smile on everyone's face. Overall, this was an amazing event for all.

### **Feedback from Students:**

All the students who came for the tree plantation expressed that such events should be organized at regular intervals to create a very healthy environment and contribute in minimizing the climatic changes. All felt inner peace by doing something good for the environment.

### **World Food Day**

World Food Day is observed annually on 16 October to highlight the millions of people worldwide who cannot afford a healthy diet and the need for regular access to nutritious food. The theme for 2022 is **Leave NO ONE behind.World Food Day 2022** is being marked in a year with multiple global challenges, including the COVID-19 pandemic, conflict, climate change, rising prices and international tensions. All of this is affecting global food security. The Day is led by The Food and Agriculture Organization (FAO).

### **Engineer Day**

Engineers Day is being celebrated across the country on 15th September. The date of birth of Dr. MokshagundamVisvesvaraya, popularly known as the Civil Engineer of India, was announced by the Government of India in the year 1868 to celebrate 15 September (year 1860) as Engineer's Day. Countries around the world celebrate Engineer's Day to appreciate the contribution of engineers. India celebrated Engineer's Day to pay tribute to Bharat Ratna MokshagundamVisvesvaraya who was regarded as the 'Father of Modern Mysore'.

## These events are organised by M.Tech and MCA Department. The purpose of celebrating Engineering Day:

- 1. It helps to promote understanding between different engineering disciplines.
- 2. It celebrates the importance of engineering in society and culture.
- 3. It encourages young people to consider engineering as a career path.
- 4. It provides an opportunity for engineers to share their work with the public.
- 5. It provides an opportunity for engineers to network with each other and find new opportunities for collaboration.

Celebrating World Engineers Day is a great way to honor the hard work of engineers everywhere and to share our knowledge and experiences with others.

### "India: The Mother of Democracy"

The Prime Minister Shri Narendra Modi in his address at the 76th United Nations General Assembly said that India is not just the oldest democracy but also the mother of democracy. India, to the great surprise of the world with all its multiple pluralities, is today the world's largest successful working democracy, because Indian people, infused with the spirit of equality, have had since the very Vedic times a Loktantrik-parampara. Celebrating the democratic traditions of India, the University Grants Commission (UGC) had planned to organize special lectures in the month of November 2022, in number of central and state Universities. Hon'ble Governor of Himachal Pradesh had also asked to arrange lecture on 26th November 2022 coinciding with Constitutional Day. In regard to above, the Himachal Pradesh Technical University organized a lecture on the Theme "India: The Mother of Democracy". The program was presided over by Prof. Shashi Kumar, Hon'ble Vice Chancellor of Himachal Pradesh Technical University, Hamirpur. Prof. Harish Thakur from the Department of Political Science, Himachal Pradesh University, Shimla was the resource person. Other officials, teaching and non-teaching staff members as well as students from the different Departments were present on this occasion.

The programme started after welcoming the guests and welcome address. Prof. Shashi Kumar, Hon'ble Vice Chancellor during his address shared his views and told that the Indian civilization is the oldest civilization in the world and India has been the centre of democracy. It should be studied by the students from all the disciplines as the legacy of its democratic tradition is very ancient. He said that it is necessary for every person to study universal human values including moral education and should be the part of curriculum.

Prof Thakur, the resource person during his talk told that there are many examples of India's democracy system. By giving lots of examples and facts, he told about India to be the mother of democracy. He also gave information about the India's democracy in present scenario. He asked why should Indian democracy be seen from a western point of view. He also explained how India was portrayed as a country of the poor and beggars in Britain earlier. How India's education policy was thrown into dustbin in the 16th century, why, it was made compulsion for the lower caste peoples not to read the Vedas and the Puranas in early centuries, how English language made its empire in India and how we remained under it even after independence. He also explained the major changes occurred in India's foreign policy from the year 1947. He also told that how India's foreign policy was appreciated during Russia Ukraine war by the represented of various countries.

Bharat and its Lok-Tantra heave influenced the Civilization across the world. It is therefore, it made the world to know that the Lok and its Tantra is symbolic and complement to each other to grant good governance. The interactive lecture will surely help the young generation to understand the values and outcomes of a democratic system of governance to make India's democracy more modern and empowered.

### Teacher's Day

Teachers' Day is celebrated in India on 5<sup>th</sup> September every year. It is the birthday of Dr. Sarvepalli Radhakrishnan. This great son of India was an outstanding scholar and teacher. Later on he became the Vice President of Indian republic when Dr. Rajendra Prasad was the President of India. When he died, Radhakrishnan became the President. Teachers' day is observed to pay respect to the teachers of our country. We also pay our respect to our own teachers. Teachers are regarded as the backbone of our society. They have the greatest contribution to build up the characters of students and help them to become ideal citizens of our country. On this day, teachers are honored through various functions and these functions are celebrated at every place through out the country. The government also pays respect to them by giving different awards. On this day, we give them thanks and honour them by saying, – we are grateful to you dear teachers for all you do for us. Teachers work hard day and night to bring out the best in students.

Hon'ble Vice Chancellor Prof Shashi Kumar gave his message to all the teachers and students that teachers are the real heroes of our lives. They stand with us in all ups and downs of our career as well as personal problems. We should salute them for their firm dedication and devotion towards their duties.

The respected Dean, University Schools of Studies Prof Jai Dev told that the teachers inspire us to proceed forward, to build our ethics and prepare us to withstand obstacles of our life. The teacher also imparts immense knowledge and wisdom in our lives. On this day, teachers should be honored through various functions and these functions should be celebrated at every place throughout the country.

Respected Dean Academic Prof. Rajender Guleria told us that teachers work hard day and night to bring out the best in students. They unfold our hidden talents and creativity. Just like a good gardener, a teacher sows the seeds of moral-ethics within us so that we can become good citizens.

Respected Registrar Er, Anupam Kumar Thakur during his address told that teachers are the people who are the most respectable person, who teach us the valuable lesson of life as well as the part of study. We need to wish our gurus/teachers with quotes and messages.

On the same day, under the Swavlambi Bharat Abhiyan, another event was organized, and equal importance has also been given to Entrepreneurs working in different fields for the society. Dr. Satish Gill, Managing Director, Food Processing, Putrial at Distt. Hamirpur and Mr. Sonu Kumar, Manager from Dayal Sweets Hamirpur were present on the same day. University firstly honored these entrepreneurs and then they shared their views and experiences in front of audience. They told that how much struggle is required to become a job provider as compared to the job seeker. Finally, a vote of thanks was proposed for all the guests available which was followed by refreshments.

We pay our respect to our own teachers. Teachers are regarded as the backbone of our society. They have the greatest contribution to build up the characters of students and help them to become ideal citizens of our

country. The teachers teach students most carefully and sincerely and love them as their own children. We owe them more than our parents. Our parents bring us up and give us food and drink for our survival, but teachers arouse our hearts with light of knowledge and remove all sorts of ignorance. The study that we do at schools and colleges build the foundation of our character.

### **Educational Tour**

The students of M.Sc. Physics, Department of Physics, HPTU, Hamirpur arranged an Educational Tour to visit IIT Mandi and Atal Tunnel, Rohtang in Himachal Pradesh. The students were highly encouraged/excited after visiting above two technological marvel places as well as interacting with the authorities of there. The main objective of this visit was to provide the opportunity to the students to see the functioning, culture as well as to push the idea of "Vocalfor Local". The whole educational tour helped the students to gain a better understanding of the things we study the oretically. 37 students and 03 faculty members participated in this tour.

The tour program was as mentioned below:

### **World Tourism Day**

To mark the celebration of World Tourism Day, a long (one week) event relating to tourism were organized by the Department of Tourism and Hospitality Management. The event was celebrated under the theme "Rethinking Tourism: from crisis to Transformation" which was proposed by UNWTO this year. Students along with Faculty members of department celebrated this event very gracefully. Various types of activities along with interactive sessions were conducted. Event was started by a fruitful interactive session on 19th September 2022 which was based on the theme of World Tourism Day. World Tourism Day, celebrated each year on, is the global observance day fostering awareness of tourism's social, cultural, political and economic value and the contribution that the sector can make towards reaching the Sustainable Development Goalspolitical, was celebrated under the theme "Rethinking Tourism: from crisis to Transformation" which was proposed by UNWTO this year. Students along with Faculty members of department celebrated this event very gracefully. Various types of activities along with interactive sessions were conducted. Event was started by a fruitful interactive session on 21st September 2022 which was based on the theme of World Tourism Day. This session and activities also help in reflecting the unprecedented crisis that hit the sector in 2020 and how this industry. Department has also organized various activities like Group Discussion on various trending topics of Tourism Industry overchallenges post Covid and how to overcome these challenges, The Impact of Covid-19 on Travel & Tourism Industry in India and its Future. Students of the department have also portrayed the Difference between Professional and unprofessional Tour Guide through the medium of skit. Their skit highlighted the advantages of having a professional course. During this student also made a carved replica of Taj Mahal by using recycled materials. Students also participated in various interdepartmental activities like Quiz Competition, Extempore, etc.

Tourism plays a significant role in global expansion and development. Celebrating this day is important in raising awareness of the role of tourism. It also demonstrates how it affects social, cultural, political, and economic values worldwide. World Tourism Day was established by the UN World Tourism Organization in September 1979, and its inaugural events took place on September 27. The Two UN Statutes were endorsed on September 27, 1970, which was chosen as the day to observe this holiday as it marked a significant turning point for tourism globally. As a result, the studentsunderstand the importance of tourism sector that has grown to be a significant source of income for many areas, and even for entire nations. In recognition of its significance, the Manila Declaration on World Tourism of 1980 described tourism as "an activity essential to the life of nations because of its direct effects on the social, cultural, educational, and economic sectors of national societies, as well as on their international relations."
