Path: After Login on UI option to write message and send.

Functionality :

1. Able to discuss with individuals or group of peoples

The screenshot displays a user interface for a discussion board. At the top, there are navigation icons for Message, Documents, Link, and Email. Below these is a large text input field with the placeholder text "What's on your mind?". A callout box points to this field with the text "Type message to send on discussion forum". Below the input field is a "To..." dropdown menu with a callout box that says "Select Faculty / Student Name to". To the right of the input field and dropdown is a blue "Post" button.

Below the post area, there are two example messages:

- Message 1:** From **Shrutika Rahul Halade** (shared with You). The message content is "Ok Sir." A callout box points to the text with "Reply from Faculty / Student". The message includes a "Remove" link and a timestamp of "Dec 18, 2019 06:02 AM". Below the message is a text input field labeled "Enter Comment..." and a share icon.
- Message 2:** From **Pradeep Ganpatrao Bakare** (shared with You). The message content is "Hi Student, Tomorrow you have a guest lecture of Mr. Shridhar". It also includes a "Remove" link and a timestamp of "Dec 18, 2019 05:57 AM". Below the message is a text input field labeled "Enter Comment..." and a share icon.
